Neto Hatinakwe Onkwehowe Native Arts Canada is a charitable not-for-profit arts services organization, which incorporated on March 10, 2005 in the city of Niagara Falls, Ontario. Our mandate is to provide arts services to both Aboriginal and non-Aboriginal community members in the Niagara Region. We offer assistance with grant seeking information, applications, guidelines; we work as advocates and promoters of Aboriginal artists. Neto has gallery space to showcase Aboriginal Artists. In addition we offer a workshop space for artists to conduct workshops and seminars for area groups. Neto is currently a volunteer board-run organization made up of five Aboriginal artists from the region.

We are Niagara's first Aboriginal Arts Service Organization. We play a key role as advocates of Aboriginal Artists, we look to inspire and encourage a better understanding and appreciation of Canada's Aboriginal Culture.
